

The Logan Connection

The staff of James Logan Elementary School will provide a safe, nurturing environment where all students feel loved! We will promote academic excellence and maintain high expectations for all students. We will prepare our students for college and careers. We will foster a positive school climate which respects and values diversity.

Family Newsletter

June 2022

A Brief Word from Principal Grill

As we close another school year, we take time to thank our amazing families, parents, guardians, caregivers, and all of those who support our school each and everyday as we work in service of both you and your amazing children. In addition to our families, this year would not have been the success that it was without our dedicated teachers and staff who work tirelessly to ensure our students feel safe, loved, and welcomed while simultaneously receiving a top notch educational experience. As we close out these final weeks, we are still focused on the serious business of learning but also have intentionally planned some activities to honor our students who have worked so hard this year! Students must maintain their best behavior and continue to be actively engaged during class to participate in any extra activities.

As a reminder, the office will be closed this summer but will reopen in early August. In the meantime, you can visit our school website which will have up to date information regarding supplies and pertinent information for next year.

We wish each of our families a safe and relaxing summer and hope that everyone will take some time for self-care and engage in activities that truly give you peace and joy! We will see you in August! Thank you!
