

Ms. O

(Ms. Oppenheimer)

Supply List

- 2 Tissues
- Hand Sanitizer
- Roll of Paper Towels
- Wipes
- Box of pencils
- 1 composition book

Personality

I am a beach baby! I love summer and Christmas, I know too soon! During the summer months you'll find me outside seeking an adventure, reading a good book, or playing in the water whether it's the pool, beach, lake or streams! I love supporting children and watching them discover their own potential. In addition, I, as a parent myself, enjoy supporting parents through the process of accessing additional resources and services for your child(ren). I've been teaching for 16 years and here at Logan for 15 of them! I have had the privilege of supporting the entire school as the SPECM (special education compliance manager) for approximately 10 years. I look forward to seeing everyone after summer break and wish everyone a safe and joyful summer that is filled with great reads and lots of sunshine!

Summer Activities

- Read a good book
- Make a Friday night movie bucket list
- Complete IXL and iReady daily for 30 minutes!
- Complete Lexia for 30 minutes daily
- Follow an ant to its home
- Make shapes out of the clouds
