

Welcome to Learning Support

Mrs. Vessels-Prajzner

Hello!

My name is Mrs. Vessels-Prajzner (you can just call me Ms. Vessels). I have been teaching at Logan for the past 7 years and love supporting children and watching them grow both academically and socially! I have teaching experience with both general and special education and will always do my best to support children and their individual needs. When I am not teaching, I am spending time with my daughter Isabella, my husband John, and my dog Shady!
