## A Brief Word from Principal Grill

As the weather begins to change and to ensure the safety of all students, just a friendly reminder that we open our doors at 8:50AM. If you are in need of before care so that your child does not have to wait outside, please reach out to the Main Office.

In addition, students must be picked up by 3:39PM. When children are not picked up on time, it causes anxiety for them as they are required to wait for someone to come get them at school. If you are unable to get your child on time, please let us know so that we can work with you on ensuring support is in place.

Communication between school and home is key so we can ensure the safety of your child(ren) while they are in our care! We want to ensure a plan is in place for students who need it before 8:50AM or after 3:39PM.

## Spelling Bee

All students will receive a spelling bee sheet in preparation for the school wide spelling bee! Please work with your child whether

they are competing or not to help them with their grade level reading and spelling anyway.
