

Ms.  
Hendrickson

September 2023

**Welcome families!** I am looking forward to a great school year. My name is Ms. Hendrickson and I will be providing Learning Support to your child this school year. I am very eager to work with you and your child and look forward to our collaboration. I have been a teacher for over 20 years and have worked in various settings.

Want to know a little bit about me? When I'm not teaching, you can find me doing yoga or at the gym, going on a hike and working in my garden. I LOVE the beach and try to spend as much time there as possible.

I hope that you have all had a fabulous summer filled with sunshine, laughter and family time. As the summer winds down and the new school year quickly approaches, I hope you are feeling relaxed and ready for a new school year.

I am extremely excited for this year and look forward to meeting each of you and every one of your amazing children. I am looking forward to learning what their strengths are as well as what supports they need to be successful at Logan.

I can be reached at [chendrickson@philasd.org](mailto:chendrickson@philasd.org).

Thank you,  
Ms. Hendrickson
