

# Ms. O

(Ms. Oppenheimer)

## Supply List

- 2 Tissues
- Hand Sanitizer
- Roll of Paper Towels
- Clorox Wipes
- Box of pencils
- 1 composition book

## Personality

I am a beach baby! I love summer and Christmas, I know too soon! During the summer months you'll find me outside seeking an adventure, reading a good book, or playing in the water whether it's the pool, beach, lake or streams! I love supporting children and watching them discover their own potential. In addition, I, as a parent myself, enjoy supporting parents through the process of accessing additional resources and services for your child(ren). I've been teaching for 17 years and here at Logan for 16 of them! I have had the privilege of supporting the entire school as the SPECM (special education compliance manager) for approximately 11 years. I look forward to seeing everyone after summer break and wish everyone a safe and joyful summer that is filled with great reads and lots of sunshine!

## Summer Activities

- Read a good book
- Make a Friday night movie bucket list
- Complete Lexia and iReady daily for 30 minutes each!
- Follow an ant to its home
- Make shapes out of the clouds
- Practice writing by creating a story about the perfect summer day!
- Blow bubbles
- Melt crayons into art
- Mix paint and bubbles and make bubble art!
- Making sidewalk paint chalk
- Looking up different science projects!
