Congratulations! You are the parent of a first grader here at James Logan Elementary! We are going to have so much fun and learn a lot together in the process! We look forward to getting to know you and your child and watching them grow this school year!

First Day of School is Tuesday, September 5, 2023.

Attendance is important! Students should arrive by 9:00 and be picked up at 3:39. Students are dropped off at doors by the auditorium for admission and students will be picked up in the school yard for dismissal.

Uniforms are mandatory! The uniform consists of navy blue pants/shorts/skirt/dress, a yellow polo/button down shirt and a tie (cross ties for girls, neckties for boys)

Communication:

Please download the Class Dojo App prior to the first day of school. We will communicate via Class Dojo throughout the school year!
